Haplogroup - J1c7a Kohan, early Semitic Roots

"Yahowah said to Moses, "Tell Aaron and his sons, 'This is how to bless my people. Say to them: Yahowah will bend a knee before you presenting gifts and will guard you with a hedge of protection. Yahowah will illuminate the wholeness of His being towards you, bringing order, and He will provide you with love, sustenance and friendship. Yahowah will lift up His wholeness of being and look upon you, and will set in place all you need to be whole and complete. So they will put my name Yahowah on my people, and I will bless them." Numbers 6:22-27
